

## 2017 Congressional Visits Day Member Participation Program

As in past years, AIAA will once again offer limited subsidies to assist members in their efforts to attend this year's Congressional Visits Day (CVD) program. Members applying for subsidies must keep the following in mind:

- All applicants must be members in good standing of AIAA. You are not eligible for funding unless you are an AIAA member.
- All applications for travel subsidies must be submitted to AIAA **by 3 February, 2017**. No applications will be considered after that deadline.
- All applications for travel subsidies will be subject to review by the AIAA Public Policy Committee (PPC).
- The PPC will be the sole determiner of the disbursement of funds.
- Individual awards may be granted up to \$500.
- Applications will be triaged in the following manner:  
First Priority – Geographic distance  
Second Priority – Demographics (e.g. first time attendee, student, young professional, etc.)
- Student participants traveling from the same school (or city) should consider traveling and rooming together. Student groups are encouraged to submit one form for all group members, with the total award amount adjusted for the size of the group.
- Successful applicants will be notified of their grant by the PPC no later than 28 February, 2017.

For members not granted travel subsidies, please remember that you can ask your local section for assistance under the Section's "Category 3" funds. Students may also contact their department (or school/college at the Dean's level) via their faculty advisor to propose and explore opportunities for direct university sponsorship.

For questions about the CVD Member Participation Program and to submit your funding requests, please contact Steve Sidorek at 703.264.7541 or [steves@aiaa.org](mailto:steves@aiaa.org).
