**New Login Procedure for AIAA Members**

As a result of the recently completed transition from AIAA's legacy IT systems to our new Association Management System, netForum, a new procedure is now in place for logging into [www.aiaa.org](http://www.aiaa.org). Up until 12:00 p.m. EDT on 15 June, members used their last name (as "User Name") and member ID (as "Password") to log into the AIAA Web site. Effective immediately, members will no longer use their last name as their "User Name," and should now begin using their (AIAA registered) e-mail address instead. Passwords remain unaffected. Also, because netForum requires an e-mail address for staff or members to log in, members who do not currently possess an email account/address will be assigned (a fictitious) one as follows:

[firstname.lastname@blank.com](mailto:firstname.lastname@blank.com). We apologize for the inconvenience, and we sincerely thank you for your patience as staff diligently works to restore all systems and services.
