HAVE
FUN!

We are offering an outreach program that brings 6th, 7th, 8th and 9th grade students together with aerospace professionals.

The evening includes presentations by members of the aerospace industry followed by hands-on activities where students perform experiments to demonstrate the fundamental principles behind aircraft flight.

IN ADDITION TO THE 40 CHILDREN OF GULFSTREAM EMPLOYEES, OPENINGS HAVE BEEN ADDED FOR CHILDREN OF AIAA MEMBERS!

Registration is required.
Students must be at least
12 years old to participate.

Deadline to register is Sept. 18.

Contact Shelly Brimmeier at 2-6508 with questions
or for a registration form.
