

AIAA HIGH SCHOOL MEMBERSHIP!

The American Institute of Aeronautics and Astronautics (AIAA) has dedicated itself to shaping the future of aerospace and our future is YOU. If you are a middle or high school student with an interest in aerospace (either long term or just casually curious) YOU can become a part of the AIAA community today – and it's free!

MEMBERSHIP IS FREE AND INCLUDES:

Access to the Engage community platform

- Talk with peers as well as professionals in the aerospace field
- Share what you're passionate about and hear from others

Online subscription to *Aerospace America*

- Be in the know with *Aerospace America*, AIAA's critically acclaimed membership magazine that will provide you with cutting-edge articles, ideas, and inspiration to shape a career and future in the world of aerospace

Discounts to AIAA forums and events

- Student rates for attending world-class events like AIAA SciTech Forum, AIAA AVIATION Forum, and ASCEND

Exclusive access to scholarships

- High school students can apply for up to \$10,000 in scholarship funds

Join webinars and access on-demand content

- Interactive sessions with experts providing recommendations and best practices on applying to scholarships, grants, and more!
