

Introduction

Complimentary registration to an AIAA event may be offered to a variety of attendees. Since the eligibility for complimentary registration, and the amenities included can vary, this document will clearly define the process by which comps are determined; list the categories of registrations; and define the amenities included in the comp.

Categories of Complimentary Registrations

Award Winner Complimentary

Access to the Full Conference registration, including all associated food functions
Eligible attendees: National and Service award winners

Continuing Education Instructors Full Complimentary

Access to the Full Conference registration, including all associated food functions and online proceedings
