

AIAA Foundation International Student Conference Awards  
Student Activities Committee

The AIAA Foundation presents these awards to the authors of the best papers presented in the undergraduate and graduate classifications during the AIAA International Student Conference. Along with a medal, certificate of citation, recipients receive a \$500 honorarium. In 2009, a team classification was added and in 2011 a community outreach award was added. Recipients receive a certificate of citation.

Previously, this award was known as the "**National Student Award.**"

The awards are generally presented during the AIAA Science and Technology Forum (SciTech).
