

# FLORIDA

## AEROSPACE KEY FACTS AND FIGURES

### MAJOR INDUSTRY EMPLOYERS

- › Aerojet Rocketdyne
- › Airbus
- › BAE Systems
- › Blue Origin
- › The Boeing Company
- › Embraer
- › Flight Safety International
- › General Dynamics
- › Harris Corporation
- › L-3 Crestview Aerospace
- › Lockheed Martin Corporation
- › Northrop Grumman Corporation
- › Pratt & Whitney
- › Raytheon
- › Rockwell Collins
- › Sikorsky
- › SpaceX
- › United Launch Alliance

### MAJOR MILITARY INSTALLATIONS

- › Cape Canaveral Air Force Station
- › Eglin Air Force Base
- › Homestead Air Force Base
- › Hurlburt Field Air Force Base
- › Jacksonville Naval Air Station
- › Key West Naval Air Station
- › MacDill Air Force Base
- › Patrick Air Force Base
- › Pensacola Naval Air Station
- › Whiting Field Naval Air Station

#2

State in aviation and aerospace establishments

17,144+

Aerospace-related companies call Florida home, contributing **\$17.7 billion** in revenues to Florida's economy

130,000+

Floridians work in state's aerospace industry

\$7.6+ billion

Annual aviation and aerospace business exports, making Florida the national leader in these sectors

Virtually every major aviation and aerospace company in the world has significant operations in the Sunshine State.

**Florida's Space Coast** is a hub for the growing commercial space industry with small, medium, and large companies involved in everything from rocket engine research to satellites setting up shop.

Florida is the birthplace of commercial aviation and the air transport hub of the Western Hemisphere; the state is also home to 130 public use airports.

\* ABET accredited school and/or AIAA Student Branch

The American Institute of Aeronautics and Astronautics (AIAA) comprises nearly 30,000 members that span 88 countries. They are engineers, researchers, scientists, entrepreneurs, educators, and students. They drive economic growth, discoveries, and innovations that help the aerospace community accomplish what was once thought impossible.

AIAA delivers extensive technical expertise and policy guidance to decision makers at the federal and state levels, serving as a reliable resource on a full spectrum of aerospace issues.

---

**AIAA CAN HELP PROVIDE:**

- › One-on-one meetings between technical experts and lawmakers to offer background on key aerospace issues
- › Informational seminars on key issues for groups
- › Expert testimony before lawmakers
- › White papers on specific aerospace topics
