IDAHO AEROSPACE KEY FACTS AND FIGURES

31%
Idaho’s aerospace industry growth since 2001, with a 10-year projected growth rate of 41%

2 Major Airports

2 Aerospace Engineering Programs

$545 million
Aerospace exports

2,500
Jobs supported by the aerospace and defense industry

Idaho PTECH offers high-school students the opportunity to earn aerospace-specific certificates and on-the-job work experience

165 Aerospace establishments, with an average wage of $66,200

Employs 5,900

The state is emerging as an industry leader in unmanned aerial systems research and testing

* ABET accredited school and/or AIAA Student Branch
The American Institute of Aeronautics and Astronautics (AIAA) comprises nearly 30,000 members that span over 100 countries. They are engineers, researchers, scientists, entrepreneurs, educators, and students. They drive economic growth, discoveries, and innovations that help the aerospace community accomplish what was once thought impossible.

AIAA delivers extensive technical expertise and policy guidance to decision makers at the federal and state levels, serving as a reliable resource on a full spectrum of aerospace issues.

AIAA CAN HELP PROVIDE:

› One-on-one meetings between technical experts and lawmakers to offer background on key aerospace issues
› Informational seminars on key issues for groups
› Expert testimony before lawmakers
› White papers on specific aerospace topics
