*ABET accredited school and/or AIAA Student Branch*
The American Institute of Aeronautics and Astronautics (AIAA) comprises nearly 30,000 members that span over 100 countries. They are engineers, researchers, scientists, entrepreneurs, educators, and students. They drive economic growth, discoveries, and innovations that help the aerospace community accomplish what was once thought impossible.

AIAA delivers extensive technical expertise and policy guidance to decision makers at the federal and state levels, serving as a reliable resource on a full spectrum of aerospace issues.

AIAA CAN HELP PROVIDE:
› One-on-one meetings between technical experts and lawmakers to offer background on key aerospace issues
› Informational seminars on key issues for groups
› Expert testimony before lawmakers
› White papers on specific aerospace topics
