Shaping the Future of Aerospace

BENEFITS OF CORPORATE MEMBERSHIP

Direct Access

AIAA corporate membership gives you direct access to the most respected names in the business, including captains of industry, heads of government agencies, educators and students at major universities, and innovators at influential research labs.

Connect and Collaborate

Participate on the Corporate Member Committee, and in exclusive corporate member programs and events. Visit with VIPs during AIAA SciTech Forum, AIAA AVIATION Forum, AIAA Propulsion and Energy Forum, and AIAA SPACE Forum.

Advocacy at Federal and State Levels

Discuss issues relevant to your company at special events and briefings with influential policymakers and congressional leaders.

Maintain a Strong Workforce

Keep your employees at the cutting edge of new thinking, best practices, and stimulating idea exchanges. Access the brightest students and young professionals—your future workforce.

Increase Visibility

Corporate members gain visibility and receive sponsorship discounts on forum activities, as well as advertising discounts in the AIAA Daily Launch and the newly redesigned *Aerospace America*.

Recognition and Reputation Building

Corporate members receive advance notice of award nomination announcements, membership upgrades, and priority table placement at the annual Aerospace Spotlight Awards Gala.

Technical Resources

Your company has access to search and browse more than 90 years of technical information in the Aerospace Research Central (ARC). Although there is a fee for full access, new corporate members receive a 10% discount for the first year's subscription.
