

AIAA Associate Fellows

“Associate Fellows shall be persons who have accomplished or been in charge of important engineering or scientific work, or who have done work of outstanding merit or have otherwise made outstanding contributions to the arts, sciences, or technology of aeronautics or astronautics.”

A maximum of one Associate Fellow for every 150 voting members may be upgraded annually. Nominees must be senior members of the Institute in good standing, have twelve (12) years minimum of professional experience, and furnish three references, Associate Fellow grade or higher.
